300m
Bus Stop for Shinki-bus
SPring-8 ⟷ Aioi, Himeji
Public Relations Center
Guard House
North Building
(Radiation Control Office,
SPring-8/SACLA Users Office)
For Sayo
Water Supply
System
Building
Main Gate
Kitakanrito
-mae
Experimental Facility
for SPring-8 Users
Structural Biology Facility
Synchrotron Radiation Physics Facility
Highthroughput Factory
Annex of Materials Science
Research Facility "HOUKOUKAN"
Structural Biology Experimental Facility
Research Coordination Facility
Materials Science Research Facility
Hyogo-Prefectural Synchrotron
Radiation Nanotechnology Laboratory
Linac
Accelerator and Beamline
R&D Facility
EUV-Laser
Experimental Facility
Hazardous Materials
Storage
Industrial Waste
Storage Building
Experimental Drainage
Treatment
East Gate
Guest House
Guest House Reception
Cafeteria
Shop Kirari
Utility Management Building
Main Building
Chuo-Kanrito
Transformer Facility
