The figure displays three monthly calendars for January, February, and March 2023. Each calendar is a grid with days of the week (Mon-Sun) as columns and dates as rows. The dates are color-coded: red for dates 1-10, green for dates 11-20, and blue for dates 21-31. The calendars are arranged horizontally, with January on the left, February in the middle, and March on the right.
