2018

The figure displays a 3x3 grid of monthly calendars for the first nine months of the year (January through September). Each calendar is a table with days of the week as columns and dates as rows. The days of the week are abbreviated: Mon, Tue, Wed, Thu, Fri, Sat, Sun. The dates are numbered 1 through 31. The calendars are arranged in three rows and three columns, separated by thick green lines. The first row contains January, February, and March. The second row contains April, May, and June. The third row contains July, August, and September. Each calendar has a header row with the days of the week. The dates are filled in the cells below the header. Some cells are highlighted in red or green, indicating specific days or events. The grid is divided into three rows and three columns by thick green lines.

January						
Mon	Tue	Wed	Thu	Fri	Sat	Sun
1	2	3	4	5	6	7
