Research Theme

Achievements (Research Results)

Please provide the following information on up to three representative papers or equivalent achievements to be considered for the award.

Please attach reprints or PDF files of the papers. For industrial applications, please attach an in-house report that describes the achievement in place of a paper.

- Paper Title:
- Authors:
- Journal Name and Page Numbers
(If accepted but not yet published, provide the journal name only)

• Summary of Achievements:

Please prepare one appeal slide (pptx format) summarizing all achievements.

Any format is acceptable. Include the research background, motivation, key results (with a catchphrase if applicable), and impact.

Reason for Nomination (or Self-Nomination)

Provide a statement supporting the candidate's nomination.

Please describe the novelty, originality, potential for future development, and the social or industrial impact of the achievements.

Self Appeal

- Provide a self-appeal of your research achievements.

(Required regardless of nomination or self-nomination.)

- Be sure to include your contributions, past achievements, and future research plans.

Referee (Other than the nominator; supervisor or PhD advisor are acceptable)

- Name:

- Email:

- Affiliation and Position:

- Office Address:

- Office Phone:

If there is a period of absence due to childbirth, childcare, nursing care, etc., please submit a document issued by your affiliated organization or a public institution that certifies such absence. (As a general rule, self-declarations are not accepted.)
