

**1st announcement for
4th Int'l Conference on Synchrotron Radiation Sources
2nd Asian Forum on Synchrotron Radiation**

DATE : October 25 - 27, 1995

PLACE : Hotel Hyundai, Kyongju, Korea

TOPICS (SCOPE) :

Applications of Synchrotron Radiation, Machine Design & Technology, Beamline & Instrumentation, Machine Status & Future Plan, International Co-operation, Other Related Topics

CALL FOR PAPERS :

Contributed Papers are invited on any of the topics listed above and will be considered either for oral or poster presentation.

Abstract / Summary

Each author is requested to submit a copy of abstract / summary of the paper. The preferable length of abstract / summary is about 200 to 500 words and must not exceed a single page.

A copy of abstract / summary must be submitted on A-4 (or Letter) paper, typed single spaced on one side only, with 2 cm (or 1-inch in Letter) margins on four sides. The title of the talk and the authors' names, affiliations, complete return address, and telephone and fax numbers (or e-mail address) must appear on the cover page. Camera ready copy is required for tables and illustrations. Each figure should have its own caption.

Submission of papers

Both the original abstract / summary along with a set of figures suitable for publication, and one copy of all material should be forwarded to :

Dr. Chinwha Chung
Secretary / Organizing Committee
PAL / Postech
Pohang, Korea 790-784

The deadline for submission of abstract / summary is April 30, 1995.

The abstract / summary will be published in the advance of the meeting. Details regarding submission of full papers will be explained in the final announcement. Proceedings of the conference will be published within six months after the conference.

REGISTRATION :

Regular \$ 150 Student \$ 50

The registration fee includes 8 conference program, the conference proceedings, admission to the welcoming reception.

Pre-registration
