

International Cooperation

Comprehensive Agreements (Memorandum of Understanding) between SPring-8 and Overseas Research Institutions

<i>Asia</i>		
China	Shanghai Institute of Applied Physics (SINAP)	September, 2011
Korea	Pohang University of Science and Technology (PAL)	December, 2005
Republic of China	National Synchrotron Radiation Research Center (NSRRC)	August, 2008
Thailand	Synchrotron Light Research Institute (SLRI)	March, 2006
<i>America</i>		
Canada	Canadian Light Source (CLS)	October, 2012
United States	Advanced Photon Source (APS)	March, 2006
	Brookhaven National Laboratory (BNL)	May, 2009
	Lawrence Berkeley National Laboratory (LBNL)	February, 2004
<i>Europe</i>		
France	European Synchrotron Radiation Facility (ESRF)	March, 2006
	Synchrotron SOLEIL	June, 2013
Germany	Deutsches Elektronen-Synchrotron (DESY)	February, 2007
	European X-Ray Free-Electron Laser Facility GmbH	February, 2015
United Kingdom	Diamond Light Source (DLS)	March, 2006
	University of Liverpool (UoL)	January, 2009
Ukraine	National Technical University of Ukraine “Kyiv Polytechnic Institute”	June, 2013
Sweden	MAX IV Laboratory	July, 2014
Switzerland	Paul Scherrer Institute (PSI)	October, 2006
<i>Oceania</i>		
Australia	Australian Nuclear Science and Technology Organisation (ANSTO)	August, 2011
United States	Advanced Photon Source (APS) *	1993
France	European Synchrotron Radiation Facility (ESRF) *	

* Three-party agreement with SPring-8, APS and ESRF
