RIKEN established Specific Synchrotron Radiation Facilities (SPring-8 and SACLA) and is responsible for their operation and maintenance. JASRI selects and supports users of these facilities under the "Act on the Promotion of Public Utilization of the Specific Advanced Large Research Facilities". To undertake this business, RIKEN and JASRI receive a government subsidy, as shown below.

*The 2022 budget includes additional subsidy for facility operation and management of 3,429 million JPY.

**The 2023 budget includes additional subsidy for facility operation and management of 1,361 million JPY.
