

List of Symposia and Others

1. Meeting

- 1) Annual Meeting of R&D on the Application of SPring-8
 - * The 1st Meeting
(1990-3-12,13, RIKEN, Wako)
 - * The 2nd Meeting
1991-2-4,5,6, Kanda, Tokyo)
 - * The 3rd Meeting
(1992-1-27,28,29, Kanda, Tokyo)
 - * The 4th Meeting
(1993-1-25,26,27, Kanda, Tokyo)
 - * The 5th Meeting
(1994-2-7,8,9, RIKEN, Wako)
- 2) The 2nd Meeting on XAFS Using Large Scale High Brilliance Radiation Source (1991-9-13, RIKEN, Wako)

2. Workshops

- 1) SPring-8 Workshop on Atomic Physics at High Brilliance Synchrotron Radiation Facility (1992-3-23,24, Japan Castle ResearchCenter, Himeji)
- 2) Satellite Meeting Associated to the 4th International Meeting on Biophysics and Synchrotron Radiation (1992-8-28,29, Kobe International Meeting Hall)
- 3) International Workshop on Two Dimensional Detectors (1993-11-24,25,26, The Center for Advanced Science and Technology, Harima)

3. Symposia

- 1) RIKEN Symposium for Arranging Project
 - * Symposium on the Application of Synchrotron Radiation to Biology (1986-9, RIKEN, Wako)
 - * Symposium on the Application of Synchrotron Radiation to Material Science (1987-11, RIKEN, Wako)
 - * Present Status of the SPring-8 Project (1990-3-12-13 RIKEN, Wako)
 - * Symposium on Biophysics and Synchrotron Radiation (IV) (1994-1-7, RIKEN, Wako)
- 2) Satellite Meeting of SRI-88 on the Accelerator Technology for High Brilliance Synchrotron Radiation Sources (1988-8, Toranomon Pastral, Tokyo)
- 3) International Symposium on Synchrotron Radiation
 - * The 1st Joint International Symposium on

X-ray SR and Advanced Science and Technology, What are to be done by the High-energy High-brilliance SR Sources ? (1988-1, Osaka)

- * The 2nd International Symposium on SR, "Biological Science, Material Science and Industrial Applications" (1990-2, Kobe)
 - * The 3rd International Symposium on SPring-8 Project and Advanced Science and Technology, "Surface and Intersurface Science" (1992-3-18,19, Kobe International Meeting Hall)
 - * The 4th International Symposium on SR, "Frontier of Material Science in SR (1994-3, Kobe)
- 4) Japan-Korea Joint Symposium on Synchrotron Radiation
 - * The 1st Japan-Korea Synchrotron Radiation Symposium (1990-2, Pohan, Korea)
 - * The 2nd Japan-Korea Joint Synchrotron Radiation Symposium (1991-11, Tsukuba)
 - * The 3rd Japan-Korea Joint Symposium on Synchrotron Radiation Sources (1992-11, Pohang, Korea)
 - 5) Asian Forum on Synchrotron Radiation (1994-5-13, Kobe Industry Promotion Center)
 - 6) International Advisory Committee on the SPring-8 Project
 - * The 1st IAC (1991-9, Fukoku Seimei Building, Tokyo)
 - * The 2nd IAC (1992-11, Japan Castle Research Center, Himeji)
 - * The 3rd IAC (1993-11, The Center for Advanced Science and Technology, Harima)
 - 7) Others
 - * The 1st Meeting with RF on the Review of 6-GeV Synchrotron Radiation Source (1987-12, Tsukuba)
 - * The 2nd Meeting with RF (1988-3, Tsukuba)
 - * Symposium on SR Vacuum (1990-3, RIKEN, Wako)
 - * Symposium on SR Vacuum (1991-3, RIKEN, Wako)
 - * Workshop on Klystron Power Supplies (1993-3-16, Komagome, Tokyo)

4. Seminars and Lectures

- 1) Kobe Seminar on the Frontier of Synchrotron Radiation - "Insertion Devices and Their Applications" (1991-2-7,8, Hyogo Kenmin Hall)
- 2) Seminar on Application Technology of Synchrotron Radiation (1994-2-14, NTT Osaka Uchimoto-machi Meeting Hall)
- 3) Trend of the Application Project on the SPring-8 Facility (1991-8-1,2, The Center for Advanced Technology, Osaka)
- 4) Meeting and Lecture on Industrial Application of SPring-8 (1992-3-13, Tokyu Hotel, Osaka)
- 5) The Special Lecture on SPring-8 Application (1992-8-27, Kobe International Meeting Hall)
- (1992-9-7, Osaka International Interchange Hall)
- 6) Synchrotron Radiation and Advanced Medical Diagnosis Technology (1992-10-30, Tokyo Minor Enterprises Hall)
- 7) SPring-8 and Recent Application Technology of Synchrotron Radiation (1994-2-3, The Center for Advanced Science and Technology, Harima)
- 8) The 2nd Meeting on SPring-8 and Advanced Science and Technology (1994-12-8, The Center for Advanced Science and Technology, Harima)
- 9) The Dream Light of Synchrotron Radiation 94 (1994-12-9, Himeji Science Museum)
- 10) Lecture on Synchrotron Radiation Technology (1991-11-27, Taiyo Kobe Mitsui Bank) (1994-2-28, Himeji Castle Hotel)
